

2018 MATCHING GIFT DRIVE  
O P E R A T I O N  
H O M E I S . . .

What is "home" to you? Is it feeling safe? Feeling accepted? Is it a place of rest? Home can be and mean many things. For individuals and families experiencing homelessness, home can be more of a challenge than a source of comfort.

Now through the end of May, all gifts to Homeless Connections will be matched by an anonymous donor up to \$50,000! When you make a financial contribution to Homeless Connections, you are connecting individuals and families experiencing homelessness with the resources they need to have a home they can call their own.

As part of our 2018 Matching Gift Drive, Operation HOME IS, we are asking you not only to contribute to Homeless Connections, but to also share with us what "home is" to you. Write or illustrate your response below the dotted line and return to Homeless Connections. Responses will be collected to be part of a collage that will be displayed at Homeless Connections. Mail to or drop off at:

Homeless Connections, 400 N. Division Street, Appleton, WI 54911

Thank you!
